

Career Clusters Assignment

Objective: To make students aware of the 16 career clusters and for students to choose, research, and report on a cluster they feel aligns with their post secondary goals.

Directions:

1. Follow the directions for the “Career Cluster Interest Survey”
2. Read through all 16 Career Clusters (the information may come in handy, like on a quiz)
3. Choose the career cluster that, based on the survey and your gut feeling, interests you most.
4. Write a one page essay following the guidelines below.
 - Describe, in your own words, the career cluster which interests you most.
 - Describe why you feel this cluster is a fit for you based on your background and personal interests.
 - Briefly describe the other two clusters identified in the survey that may be of interest to you and why.
 - 1” margins
 - Times New Roman, 12 pt. font
 - Left Justify
 - Double spaced (no extra spaces)
 - Indented paragraphs
 - Written in full sentences, correct grammar and punctuation

*If your assignment does not meet any of the guidelines, it will have to be resubmitted before a grade will be given.
